

**Item 4 (c) Discussion on the implementation of the previous decisions of IGWG  
Fifth Draft of Conclusions and Recommendations**

1. The Working Group reiterates its commitment to ensure that its recommendations are consistent with the provisions of the DDPA and the Outcome Document of the Durban Review Conference.
2. The Working Group supports the efforts of the High Commissioner for Human Rights to continue incorporating the implementation of the Durban Declaration and Programme of Action in the human rights mainstreaming in the whole UN system, including through the interagency task force, and welcomes the leadership of the High Commissioner in this regard.
3. The Working Group decides to allocate sufficient time in its upcoming sessions, within the existing timeframe and mandate, for Member States and other stakeholders, including regional organizations, civil society, national human rights institutions and indigenous peoples, to share their experience, including on good practices, implementation of ICERD, DDPA and the Outcome Document of the Durban Review Conference.
4. The Working Group agrees that at the beginning of each session it will review progress on implementation of recommendations adopted at the preceding session.
5. The Working Group commits to undertake further measures, with the assistance of OHCHR, to increase awareness on its recommendations and other relevant reports and studies by human rights mechanisms at the level of the Human Rights Council in order to enhance the effective implementation of the Working Group's recommendations and facilitate follow-up activities.
6. The Working Group commits to adopt recommendations that are action-oriented and formulated in a clear manner, ensuring their reflection in the respective resolutions of the Human Rights Council.
7. The Working Group acknowledges the achievements of OHCHR and encourages it to continue collecting information, including through questionnaires, provided by stakeholders on the implementation of the DDPA and make it available in due time to the Working Group. The Working Group urges stakeholders to reply promptly to questionnaires. The Working Group requests that the collected information is placed on the website of OHCHR, which has to be duly and timely updated.
8. The Working Group emphasizes the high importance of elaborating and adopting national action plans to combat racial discrimination and related intolerance, with the active participation of all stakeholders. To this end, it calls on Member States to provide information to the Secretariat on measures taken in this regard. It calls upon OHCHR to assist efforts of Member States to draft and revise national action plans. The Working Group emphasizes the need for the relevant UN bodies and specialized agencies to provide, within their existing budgets, technical cooperation to enhance the effective implementation of ICERD, DDPA and the Outcome Document of the Durban Review Conference. It further calls on the international community to support the efforts of the developing countries in this regard.

9. The Working Group invites relevant treaty monitoring bodies and special procedures mandate holders, in particular the Committee on the Elimination of Racial Discrimination (CERD) and the Special Rapporteur on contemporary forms of racism, racial discrimination, xenophobia and related intolerance, to increase their participation in the sessions of the Working Group.
