draft resolution

Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and the occupied Syrian Golan

The General Assembly,

Guided by the principles of the Charter of the United Nations, and affirming the inadmissibility of the acquisition of territory by force,

Recalling its relevant resolutions, including resolution 65/104 of 10 December 2010, as well as those resolutions adopted at its tenth emergency special session,

Recalling also the relevant resolutions of the Security Council, including resolutions 242 (1967) of 22 November 1967, 446 (1979) of 22 March 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980, 478 (1980) of 20 August 1980, 497 (1981) of 17 December 1981 and 904 (1994) of 18 March 1994,

Reaffirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹ to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan,

Affirming that the transfer by the occupying Power of parts of its own civilian population into the territory it occupies constitutes a breach of the Fourth Geneva

¹ United Nations, *Treaty Series*, vol. 75, No. 973.

Convention¹ and relevant provisions of customary law, including those codified in Additional Protocol I² to the four Geneva Conventions,³

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*,⁴ and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting that the International Court of Justice concluded that “the Israeli settlements in the Occupied Palestinian Territory (including East Jerusalem) have been established in breach of international law”,⁵

Taking note of the recent report of the Special Rapporteur of the Human Rights Council on the situation of human rights in the Palestinian territories occupied since 1967,⁶

Recalling the Declaration of Principles on Interim Self-Government Arrangements of 13 September 1993⁷ and the subsequent implementation agreements between the Palestinian and Israeli sides,

Recalling also the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,⁸ and emphasizing specifically its call for a freeze on all settlement activity, including so-called “natural growth”, and the dismantlement of all settlement outposts erected since March 2001, and the need for Israel to uphold its obligations and commitments in this regard,

Aware that Israeli settlement activities involve, inter alia, the transfer of nationals of the occupying Power into the occupied territories, the confiscation of land, the displacement of Palestinian families, the exploitation of natural resources and other actions against the Palestinian civilian population and the civilian population in the occupied Syrian Golan that are contrary to international law,

Bearing in mind the extremely detrimental impact of Israeli settlement policies, decisions and activities on the efforts to resume and advance the peace process, on the credibility of the peace process, and on the prospects for the achievement of peace in the Middle East in accordance with the two-State solution of Israel and Palestine, living side by side in peace and security within recognized borders, on the basis of the pre-1967 borders,

Expressing grave concern about the continuation by Israel, the occupying Power, of settlement activities in the Occupied Palestinian Territory, including East Jerusalem, in violation of international humanitarian law, relevant United Nations resolutions, the agreements reached between the parties and obligations under the

Quartet road map, and in defiance of the calls by the international community to cease all settlement activities,

Expressing grave concern in particular about Israel's construction and expansion of settlements in and around occupied East Jerusalem, including its so-called E-1 plan that aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the Jordan Valley,

Expressing grave concern about the continuing unlawful construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern in particular about the route of the wall in departure from the Armistice Line of 1949, which is causing humanitarian hardship and a serious decline of socio-economic conditions for the Palestinian people, is fragmenting the territorial contiguity of the Territory and undermining its viability, and could prejudice future negotiations and make the two-State solution physically impossible to implement,

Deeply concerned that the wall's route has been traced in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Deploring settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan and any activities involving the confiscation of land, the disruption of the livelihood of protected persons and the de facto annexation of land,

Recalling the need to end all acts of violence, including acts of terror, provocation, incitement and destruction,

Gravely concerned about the rising incidents of violence, harassment, provocation and incitement by illegal armed Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, including historic and religious sites, and agricultural lands,

Noting the Israeli withdrawal from within the Gaza Strip and parts of the northern West Bank and the importance of the dismantlement of the settlements therein as a step towards the implementation of the road map, and calling, in this regard, for respect of the road map obligation upon Israel to freeze settlement activity, including so-called "natural growth", and to dismantle all settlement outposts erected since March 2001,

Taking note of the relevant reports of the Secretary-General,⁹

Taking note also of the special meeting of the Security Council convened on 26 September 2008, as well as of the Security Council meeting of 18 February 2011,

1. *Reaffirms* that the Israeli settlements in the Palestinian territory, including East Jerusalem, and in the occupied Syrian Golan are illegal and an obstacle to peace and economic and social development;

⁹ A/66/356, A/66/362, A/66/364, A/66/373 and A/66/400.

2. *Calls upon* Israel to accept the de jure applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹ to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan and to abide scrupulously by the provisions of the Convention, in particular article 49;

3. *Also calls upon* Israel, the occupying Power, to comply strictly with its obligations under international law, including international humanitarian law, with respect to the alteration of the character, status and demographic composition of the Occupied Palestinian Territory, including East Jerusalem;

4. *Reiterates its demand* for the immediate and complete cessation of all Israeli settlement activities in all of the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and calls, in this regard, for the full implementation of all the relevant resolutions of the Security Council, including, inter alia, resolutions 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980 and 1515 (2003) of 19 November 2003;

5. *Demands* that Israel, the occupying Power, comply with its legal obligations, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice;⁴

6. *Reiterates its call* for the prevention of all acts of violence and harassment by Israeli settlers, especially against Palestinian civilians and their properties, including historic and religious sites, and agricultural lands, and stresses the need for the implementation of Security Council resolution 904 (1994), in which the Council called upon Israel, the occupying Power, to continue to take and implement measures, including confiscation of arms, aimed at preventing illegal acts of violence by Israeli settlers, and called for measures to be taken to guarantee the safety and protection of the Palestinian civilians in the occupied territory;

7. *Requests* the Secretary-General to report to the General Assembly at its sixty-seventh session on the implementation of the present resolution.
