

# ***CAST YOUR VOTE FOR NICARAGUA***

- 
- Nicaragua firmly upholds the role of the United Nations in protecting Human Rights
  - Nicaragua has the vocation to protect the universal values of Human Rights
  - Nicaragua welcomes the challenge that further engages our national contribution in the international arena
  - The international community recognizes Nicaragua as a country that combats corruption, strives for good governance and actively promotes the values of democracy
  - Nicaragua's hard earned post conflict experience and small state perspective would enrich the new Human Rights Council
  - Help provide a geographically and economically balanced representation for GRULAC

***The right vote at the right time***
